Double-click the table cells in the footer to add your contact info (or delete the columns you don't want).

EXPERIENCE

JOB TITLE • COMPANY • DATES FROM – TO

Summarize your key responsibilities, leadership, and most stellar accomplishments. Don't list everything; keep it relevant and include data that shows the impact you made.

JOB TITLE • COMPANY • DATES FROM – TO

Think about the size of the team you led, the number of projects you balanced, or the number of articles you wrote.

SKILLS

Explain what you're especially good at. What sets you apart? Use your own language—not jargon.

EDUCATION

DEGREE • DATE EARNED • SCHOOL

You might want to include your GPA and a summary of relevant coursework, awards, and honors.

Portfolio

A Portfolio is a showcase of your selected best work/projects as evidence of your passion and/or interest. You may submit a maximum of 5 projects, which may include, but not limited to **digital products, art works, projects, entrepreneurial endeavours, case studies, or ideas/solutions that you have worked on.**

Your projects should be organised in a neat, well-organised manner. **Please provide the following in English.**

- A one- or two-sentence summary describing each project.
- Whether the project was self-initiated or class / work assignment.
- If it's not an individual project, clearly state that this is a GROUP PROJECT, and your role in it.
- Tell us briefly about the impact you've made on the project.
- What did you learn from working on this project?
- Any images or links to tell your full story.

Your submission should be in PDF format, and please name your file as **FullName_Portfolio_Academy**

Portfolio (2)

What We Look for in Your Portfolio:

- **Interest & Motivation** – Show us your excitement and eagerness to dive into this 9-month learning journey.
- **Creativity & Expression** – We want to see how you bring ideas to life, whether through writing or the medium of your project.
- **Interdisciplinary Potential** – How do you connect different skills or explore new disciplines? We love innovative thinkers!
- **Work Ethic & Excellence** – It's not just about what you create, but how you approach and present your work.

This isn't just about showcasing polished, final projects. Feel free to include work-in-progress projects, ideas, or anything else that highlights your learning process. If you have something that truly represents your strengths but doesn't fit into the typical categories, add it in—*just make sure to explain how it connects to the values we're looking for.*

Remember, there's no one right way to create your portfolio—what matters most is that it reflects your journey, growth, and aspirations. **Be yourself and tell your story in a way that feels authentic to you.**
